

Deval Patrick Doesn't Want 11-Year Olds Taught to Say "No" to Sex

Deval Patrick just refused over \$700,000 in free, federal money to teach 11-13 year olds to make healthy choices and avoid risky behaviors like early sexual activity. **Call Gov. Patrick and tell him to accept federal funds for middle-school abstinence education.**

Call Gov. Patrick (617) 725-4000
